

PRESS RELEASE

MÜNZING CHEMIE GmbH joins EPLF as Associate Member

Brussels, 28 November 2023 – [EPLF](#), the European Producers of Laminate Flooring, is excited to announce the addition of [MÜNZING CHEMIE GmbH](#) as an associate member.

Max von Tippelskirch, President of the EPLF, said, "We are thrilled to welcome such an experienced new member to our association. As a leading specialist in additives, MÜNZING CHEMIE's expertise is a remarkable asset – we are excited to learn from their insights as they continue to provide innovative products for the laminate flooring industry."

MÜNZING CHEMIE's Managing Director and owner, Dr. Michael Münzing, shared his excitement: "As a company whose key priority is advancing innovation and sustainability in the construction sector and beyond, we look forward to engaging with other laminate flooring experts. Exchanging expertise on those critical topics allows us to pursue our shared goals, but also benefits our customers."

MÜNZING CHEMIE has built its reputation for specialty additives over nearly 200 years since its inception. Headquartered in Abstatt, Germany, the company has a presence across 40 countries across the globe. It prioritises innovation and technology aided by the substantial team of R&D and technical service staff stationed in Europe, the Americas, Asia and Oceania. With enhancing customer formulations as their focus, MÜNZING CHEMIE offers a comprehensive range of speciality additives solutions used across the construction sector, including the production of laminate flooring.

With this new addition to the association, EPLF now represents 15 ordinary members, 26 associate members, and 11 supporting members.
