Wemhöner Surface Technologies joins EPLF as Associate Member

Brussels, 4 April 2023 – EPLF, the European Producers of Laminate Flooring, is delighted to announce that Wemhöner Surface Technologies has joined the association as of February 2023.

Max von Tippelskirch, President of the EPLF, stated: *“We are thrilled to have such an innovative new partner on board. Wemhöner Surface Technologies is at the forefront of finishing products and their expertise is of great value to the association. We look forward to exchanging with them in the association as they continue to provide high-quality products for the laminate flooring industry.”*

“Connectedness is deeply important to all of us at Wemhöner Surface Technologies, and EPLF provides the perfect space to interact with like-minded partners. We are looking forward to contributing to and learning from insights among the very best in the business,” stated Thomas Niedermaier, Sales Director at Wemhöner.

Wemhöner is a family-owned company from Germany’s East-Westphalia, driven by a passion for engineering and construction. With close ties to the wood and furniture industry, Wemhöner manufactures machines and systems for the finishing of wood-based panels. It caters to global and local markets and has two production sites in China alongside its headquarters in Herford, Germany. Wemhöner’s technologically advanced practises demonstrate its cutting-edge approach to meeting consumer’s laminate flooring needs.

With this new addition to the association, EPLF now represents 16 ordinary members, 23 associate members, and 11 supporting members.
